GIVING REPORT

The International School of Indiana appreciates those who generously support our efforts to ensure that each of our students graduates **READY FOR THE WORLD STAGE**. Contributions from the ISI community, parents, grandparents, alumni and alumni parents, friends, and faculty and staff are fundamental to our success and are made through the ISI Annual Fund, Travel Auction, Scrip program, matching gifts and grants, and gifts for specific programs. The ISI Annual Fund is the single most important source of yearly fund-raising income making up the difference between tuition and the actual cost of an education at ISI. The ISI Annual Fund supports the school’s daily expenses – our teachers’ compensation and professional development, educational programming through classroom resources and technology, arts and athletics and tuition assistance -- and helps assure that ISI remains a world-class educational institution.

On behalf of our students, the International School of Indiana truly values the generosity of each contributor. Every effort was made to ensure that the 2015 – 2016 list of donors to ISI is accurate. If you feel we have made an error or have not listed as you wish, please contact development@isind.org.

A SPECIAL THANK YOU TO OUR TOP DONORS!

YOUR GIFT COULD UNLOCK MILLIONS

Thanks to you, the 2015-16 Annual Fund was a success. ISI RAISED \$440,000, which represented \$100,000 more than the year before and \$35,000 more than our \$405,000 goal.

As important as dollars raised, 48% of our parents donated in 2015-16. That is up from 38% in 2014-2015. Remember, strong parental support of ISI encourages corporations and foundations to support ISI.

Your gift could unlock millions.
