

International School of Indiana

THANK YOU

XIE XIE MERCI Gracias

GIVING REPORT

The International School of Indiana appreciates those who generously support our efforts to ensure that each of our students graduates **READY FOR THE WORLD STAGE**. Contributions from the ISI community, parents, grandparents, alumni and alumni parents, friends, and faculty and staff are fundamental to our success and are made through the ISI Annual Fund, Travel Auction, Scrip program, donated items (such as pianos or cars), matching gifts and grants, and gifts for specific programs (such as robotics, physics, or STEM). The ISI Annual Fund is the single most important source of yearly fund-raising. The ISI Annual Fund supports the school’s daily expenses – our teachers’ compensation and professional development, educational programming through classroom resources and technology, arts and athletics and tuition assistance – and helps assure that ISI remains a world-class educational institution.

On behalf of our students, the International School of Indiana truly values the generosity of each contributor.

Every effort was made to ensure that the 2016 – 2017 list of donors to ISI is accurate. If you feel we have made an error or have not listed as you wish, please contact development@isind.org.

GOAL: \$425,000
